Before you collaborate

A little bit of preparation goes a long way with this session. Here's what you need to do to get going.

⏱ 10 minutes

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

PROBLEM

A variety of medical problems can affect appetite. Your illness medicines or surgery can cause these problem.to suggest healthy foods and identify the incredients and nutritions in their food.

Key rules of brainstorming
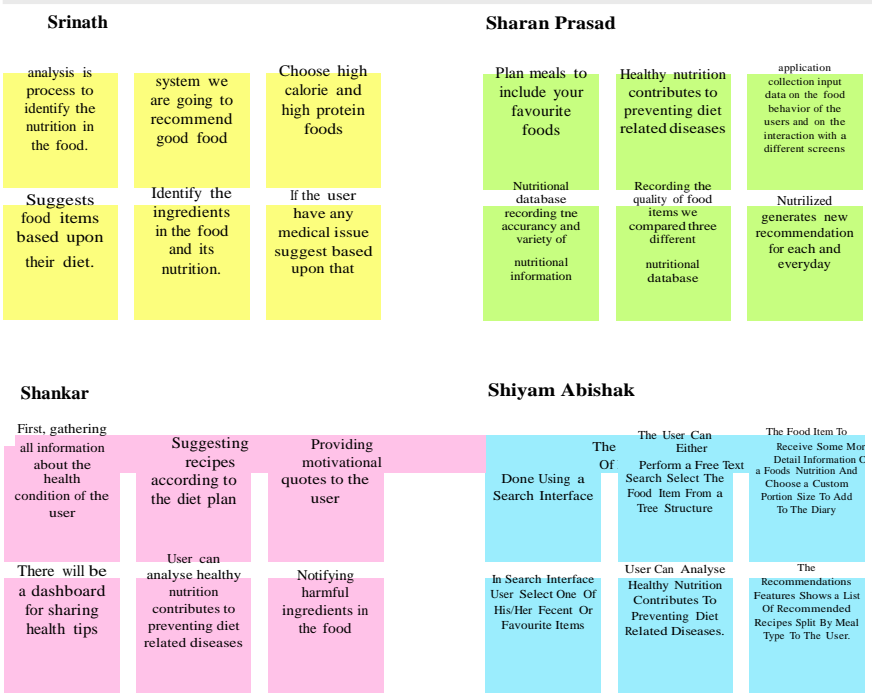

To run an smooth and productive session

Stay in topic.	Encourage wild ideas.
Defer judgment.	Listen to others.
Go for volume.	If possible, be visual.

---

① **Brainstorm**

Write down any ideas that come to mind that address your problem statement.

⏱ 10 minutes

Srinath
